Dear Sir/Madam,

Subject: Webinar on "INDIA – KSA & Oman Partnership in Pharmaceuticals sector"

Members may kindly be aware that the Middle East is one of the emerging markets and Indian exports are faring well in this region. We have reported a 16.8% growth in the first five months of the ongoing fiscal year till August.

The council has been undertaking several initiatives towards boosting our exports to this region and organizing series of webinars and interactive sessions with the support of missions abroad. Pharmexcil proposes to organize an interactive session with **Kingdom of Saudi Arabia and Oman** in association with Embassy of India in Riyadh and Muscat to explore further opportunities and strengthen collaborations in the pharmaceutical sector and to create awareness on regulatory regimes and drug registration procedures.

The scheduled program will witness key insights from pharma industry bodies and regulatory officials of SFDA & Ministry of Health, Oman.

The program details are as follows:

"INDIA – KSA & Oman Partnership in Pharmaceuticals sector"**Date: 21st September 2020 (Wednesday).****Time: 03:30 PM to 05:00 PM (INDIA)/ 01:00 PM to 02:30 PM (KSD)/ 02: 00 PM – 03 :30 PM (OMAN).****Click here to register online****(<https://pxlevents.webex.com/pxlevents/onstage/g.php?MTID=e3f39f10798acbb839a8d64386a818e46>)**

Member companies interested to expand business operations in the region are requested to confirm their participation latest by 19th October 2020. For any further information/ clarification required, you may write to rodelhi@pharmexcil.com or contact Mr. Kumar Siddhartha at +91-9654438137.
