Sir,

Sub: Issuance of pass by District authority to the Drivers -  
Requested - Regarding.

& & & &

It is reported that the cargo movement including import containers evacuation from CFSs is affected due to shortage of drivers, since these drivers are held up at different places in the State to lockdown.

The issue had been taken up with the state government. After the discussions it has been decided that the passes will be issued by the concerned authorities to such drivers if the details are shared along with a request.

Chennai port will enable the stakeholders to get such passes in the interest of the trade and accordingly the stakeholders are required to do the following.

The stake holders may submit a letter in their letter pad requesting for the passes for their drivers giving the details as annexures. There can be one annexure for each district where the drivers are held up with details of names, phone number and their address. This letter may be addressed to DGP, Tamil Nadu and sent by email to tm@chennaiport.gov.in.

Yours faithfully,

  
Traffic Manager
